Dear Agostinho and Ivana,

STUDENT EXCHANGE PROGRAMMES – INTERNATIONAL FEDERATION OF MEDICAL STUDENTS' ASSOCIATIONS (IFMSA)

Thank you for your e-mail of July 2015 requesting WFSA's support for the IFMSA student exchange programmes.

WFSA strongly encourages international exchanges of medical students and young doctors and believes that they offer a real opportunity to learn more about global health.

WFSA values our relationship with IFMSA and fully supports the IFMSA exchange programme, which offers students a chance to experience new health settings, with clear academic aims and objectives.

The WFSA is happy to offer ongoing support to this programme and to encourage more medical students with an interest in anaesthesiology to take part.

Yours sincerely,

David Wilkinson
WFSA President
