Dear Colleagues

**Re: International Federation of Medical Students' Associations student exchange programmes**

The International Federation of Gynecology and Obstetrics (FIGO) is the only organisation that brings together professional societies of obstetricians and gynecologists on a global basis. FIGO's vision is for women of the world to achieve the highest possible standards of physical, mental, reproductive and sexual health and wellbeing throughout their lives.

FIGO is happy to endorse the student exchange programmes managed by the International Federation of Medical Students' Associations, as they contribute significantly to students' understanding of global health issues.

Yours sincerely

**Professor Hamid Rushwan**  
**FIGO Chief Executive**
