Stijntje Dijk
International Federation of Medical Students' Associations

30 March 2015

Dear Stijntje

This letter is to conform that the Executive Council of WFME ratified, at its meeting in Cairo last week, the decision made last year to endorse the IFMSA student exchange programmes. This decision was made in the light of experience gained over the last year, and following the session devoted to this subject at the IFMSA General Assembly meeting in March 2014.

It was agreed that these exchange programmes remain very professionally organised and absolutely worthy of endorsement by WFME. They are commended to medical schools and medical faculties, world-wide.

There is a notice on the WFME website.

With best wishes
Yours most sincerely

Professor David Gordon FRCP, FMedSci
President
