SCOPE D:

- Point 1.1.1: the indicator was amended. New text: More than 30% of SCOPE active NMOs organize at least 1 GH-related Educational Activity and more than 75% of students rate their knowledge of Global Health issues as improved, in the Evaluation Form.
- Point 2.1.3: The action and indicator were amended. New action: Create new standardized, ready-made educational activities for incoming students and promote the enrollment of the already existing ones (organized by the NMOs) into IFMSA Programs, in collaboration with other Standing Committees and Program Coordinators. New indicator: At least one standardized, ready-made educational activity is developed and tested with the NMOs, and at least 3 educational activities organized by the NMOs are enrolled into IFMSA Programs.
- The timeline for points 5.2.1 and 5.2.3 was moved from the period October-February to April-August.

SCORE D:

Please find all amendments [here](#)
